BUDGET FOR 1953-54.—DEMANDS FOR GRANTS—*contd.*

Mr. SPEAKER.—Voting of demands for grants for the year 1953-54. Demands Nos. 29 to 35, 35-A 42-A and 43-A.

DEMAND No. 29—CIVIL WORKS.

50. Civil Works.

Mr. SPEAKER.—Motion moved :

"That a sum not exceeding Rs. 2,36,59,000 be granted to the Government to defray the charges which will come in course of payment during the year ending 31st day of March 1954, in respect of 'Civil Works'."

Sri J. MOHAMED IMAM (Jagalur).—Sir, I had made a request that there may be short respite after the close of the financial business and before the commencement of the legislative business and the Hon'ble Minister for Home promised to let us know today. I want to know whether Government have come to a decision about that.

Sri A. G. RAMACHANDRA RAO (Minister for Law and Education).—We have not yet come to a decision. Regarding the working on Sunday, it has been decided. Sri J. Mohamed Imam wanted respite for three days before the commencement of the Legislative business and that is under consideration of Government. Regarding working on Sunday, I believe we have come to an understanding that we would work on Sunday. That is what I understand.

Mr. SPEAKER.—Sunday's programme will be announced tomorrow.

Sri K. PATTABHIRAMAN (Kolar).—Three alternative suggestions were made on the floor of the House. One was to work on Sunday and another was to take an off on the 1st of April. If in the course of the day we know something about that, it will facilitate our work. If it is to be announced tomorrow it will upset our arrangements.

Mr. SPEAKER.—It will be made known at 3-30 today. With regard to voting of demands may we adopt yesterday's procedure as that seems to have given some satisfaction ?

Sri J. MOHAMED IMAM.—I suggest that we can go on with Civil Works till lunch and then we can devote some time to Extraordinary Charges and Community Development Projects and then Famine Relief. You may be pleased to give an hour and a half for Civil Works, half an hour for Famine Relief, forty-five minutes for Extraordinary Charges and half an hour for Community Development Projects.

Mr. SPEAKER.—The Leader of the Opposition has expressed his opinion like this. Demand No. 29 Civil Works for an hour and a half up to 2-30 ; Demand No. 30 Famine Relief for half an hour till lunch 2-30 to 3 ; then Demand No. 35 Extraordinary Charges for forty-five minutes—from 3-30 to 4-30 ; Demand No. 35-A—Community Development Projects for half an hour. The other demands will be put to vote without any speeches. Is that agreed upon ?

HON'BLE MEMBERS.—Yes.
